SENT NIACT BERLIN 506, REPEATED INFORMATION DEPARTMENT 2359,  
HEIDELBERG 374

HEIDELBERG FOR USAREUR

Reference DEPTTEL 2015 and Berlin's 826.

We are not altogether clear whether, in presenting recommendation (2) to Kotsiuba at last meeting, suggestion was included, at least by implication, that allied stamps be affixed to movement orders "in present Soviet checkpoint official." Since this is only real difference we can see between USAREUR proposal (SX 1315) and recommendation (2) as contained Berlin's 778, January 17, we would appreciate knowing by Monday, when we will be meeting with British and French, whether allied stamping in presence Soviet official was suggested, either explicitly or implicitly, to Kotsiuba at last meeting.
